

Already Gone

G D C G D C

1. Well, I heard some people
talking just the other day
And they said you were gonna
put me on a shelf

2. Well I've got some news for you
and you'll soon find out it's true
And then you'll have to eat your lunch
all by yourself

[Chorus:] 'Cause I'm al ready gone,
and I'm fe eling strong
I will si ng this victory song,
woo-oo-oo, my my, woo-oo-oo

3. The letter that you wrote me
made me stop and wonder why
But I guess you felt like you
had to set things right

4. Just remember this my girl
when you look up in the sky
You can see the stars
and still not see the light, that's right

[Chorus:]

5. Well, I know it wasn't you who held me down
Heaven knows it wasn't you who set me free
So oftentimes it happens that we live our lives in chains
That we never even know we have the key

[Chorus:] -2x-
