

Dreamland Express (G) (2-3-21)

John Denver

Intro: G - Em - C-D (x2)

1. I caught a ride on the dreamland express last night,
I was sailing on an ocean of blue,
when right there by my side, much to my surprise was you !

2. I said, "Come over here, baby, let me look in your eyes,
let me see the very heart of you."
And I couldn't believe it, to conceive that my dream had come true.

3. You said, "Hey there, sweet daddy, everything's all right,
for miles there's not a telephone line.
There's not a soul to disturb us, don't be nervous,
just come and be mine!"

*You said, let me be the end of your rainbow,
let me be the stars up above !
Let me be the one that you long for, darling,
let me be the one that you love, woah, oh,
let me be the one that you love !*

5. I'd like to send you a ticket on the dreamland express,
and take you far away with me,
I've got a vision of heaven, and you're living there with me.
