

Mountain Dew 4*5*18 (G)

There's (G) an ole holler tree right down the road from me
Where you (C) lay down a dollar or (G) two
Well you (G) go round the bend, and when you come back again
There's a (G) jug full of (D7) good ole mountain dew (G)

*They (G) call it that good ole mountain dew
And (C) them that refuse it are (G) few
I'll (G) shut up my mug if you fill up my jug
With some (G) good ole (D7) mountain (G) dew*

My (G) brother Bill has a still on the hill
Where he (C) runs off a gallon or (G) two
The (G) buzzards in the sky get so drunk they can't fly
From (G) smellin' that (D7) good ole mountain (G) dew

Now (G) my uncle Nort, he's sawed off and short
He (C) measures about four foot (G) two
But he (G) thinks he's a giant when you give him a pint
Of that (G) good ole (D7) mountain (G) dew

*They (G) call it that good ole mountain dew
And (C) them that refuse it are (G) few
I'll (G) shut up my mug if you fill up my jug
With that (G) good ole (D7) mountain (G) dew*

My ole (G) Aunt June bought some brand new perfume
And (C) it had such a sweet smelling (G) "pew"
But to her surprise when she had it analyzed
It (G) was nothin' but that (D7) good ole mountain (G) dew!

Now the (G) preacher rode by with his head heisted high
Said his (C) wife had been down with the (G) flu
And he said he (G) thought that I ort-a sell him a quart
Of that (G) good ole (D7) mountain (G) dew

*They (G) call it that good ole mountain dew
And (C) them that refuse it are (G) few
I'll (G) shut up my mug if you fill up my jug
With some (G) good ole (D7) mountain (G) dew*
