

# We Are the World (C) (2-4-19) BPM: 80

## *Voices Only*

[C]There comes a time  
When we [F]heed a [G]certain [C]call  
When the [F]world must [G]come together as [C]one  
There are [Am]people dying  
Oh, and it's [Em]time to lend a hand  
To [F]life, the greatest gift of [G]all

[C]We can't go on  
Pre-[F]tending [G]day-by-[C]day  
That [F]someone, some-[G]where will make a [C]change  
We are [Am]all a part..... of [Em]God's great family  
And the [F]truth, you know, .....love is all we [G]need

## *Voices & Instruments*

We are the [F]world [G]  
We are the [C]children  
We are the [F]ones who make a brighter [G]day, so let's start [C]giving  
There's a [Am]choice we're making  
We're [Em]saving our own lives  
It's [F]true we'll make a better [G]day, just you and [C]me

## *Voices Only*

[C]Oh, send them your heart  
So they [F]know that [G]someone [C]cares  
And their [F]lives will be [G]stronger and [C]free  
As [Am]God has shown us by [Em]turning stones to bread  
And [F]so, we all must lend a helping [G]hand

## x3 *Voices & Instruments*

We are the [F]world [G], we are the [C]children  
We are the [F]ones who make a brighter [G]day, so let's start [C]giving  
There's a [Am]choice we're making, we're [Em]saving our own lives  
It's [F]true we'll make a better [G]day, just you and [C]me

(last line, last time through, voices only, slowly to the end).

It's [F]true we'll make a better [G]day, just you and [C]me
