[G] Way down yonder on the Chattahoochee
It gets hotter than a [D] hoochie [G] coochie
[G] We laid rubber on the Georgia asphalt
[G] We got a little crazy but we [D] never got [G] caught

[C] Down by the river on a Friday night
[G] A pyramid of cans in the pale moonlight
[C] Talking 'bout cars and dreaming 'bout women
[A7] Never had a plan just a livin' for the [D] minute

[G] Yeah way down yonder on the Chattahoochee
Never knew how much that muddy water [D] meant to [G] me
[G] But I learned how to swim and I learned who I was
A lot about livin' and a [D] little 'bout [G] love

[G] Well we fogged up the windows in my old Chevy
I was willing but she [D] wasn't [G] ready
[G] So I settled for a burger and a grape snow cone
Dropped her off early but I [D] didn't go [G] home

[C] Down by the river on a Friday night
[G] A pyramid of cans in the pale moonlight
[C] Talking 'bout cars and dreaming 'bout women
[A7] Never had a plan just a livin' for the [D] minute

[G] Yeah way down yonder on the Chattahoochee
Never knew how much that muddy water [D] meant to [G] me
[G] But I learned how to swim and I learned who I was
A lot about livin' and a [D] little 'bout [G] love

[G] Yeah way down yonder on the Chattahoochee
Never knew how much that muddy water [D] meant to [G] me
[G] But I learned how to swim and I learned who I was
A lot about livin' and a [D] little 'bout [G] love

[G] A lot about livin' and a [D] little 'bout [G] love.
