

FOLLOW ME – John Denver

Intro solo:

It's by [Em]far the hardest [D]thing I've ever [G]done,
to be [C]so in [G]love with [Am]you and [G]so a-[D]lone.

All:

Follow [G]me where I [C]go, what I [G]do and who I
[C]know

Make it [G]part of you to [C]be a part of [D]me.

Follow [G]me up and [C]down, all the [G]way and all a-
[C]round,
[G]take my hand and [C]say you'll [D]follow [G]me.

1. It's [G]long been on my [D]mind, you know it's [C]been a long, long [G]time,
I'll [Em]try to find the [D]way that I can [C]make you under-[D]stand.
The [C]way I feel a-[G]bout you and [C]just how much I [G]need you, to be
[C]there where [G]I can [Am]talk to [G]you, when there's [C]no one else a-[D]round.

Follow [G]me where I [C]go, what I [G]do and who I
[C]know

Make it [G]part of you to [C]be a part of [D]me.

2. You see, I'd [G]like to share my [D]life with you
and [C]show you things I've [G]seen,
[Em]places that I'm [D]going to, [C]places where I've [D]been.
To [C]have you there be-[G]side me and [C]never be a-[G]lone,
and [C]all the [G]time that [Am]you're with [G]me, [C]we will be at [D]home.

Follow [G]me where I [C]go, what I [G]do and who I
