

# This Magic Moment

C - Am - F - G

- C                      Am  
1. This magic moment, so different and so new,  
                                 F                      G  
was like any other until I kissed you.  
----- C                      Am  
And then it happened, it took me by surprise,  
                                 F                      G  
I knew that you felt it too, by the look in your eyes.

- Am                                      F  
2. Sweeter than wine, softer than the summer night,  
                                 C                                      G  
everything I want, I have whenever I hold you tight.

----- C                                      Am  
This magic moment while your lips are close to mine  
                                 F                      G                                      C  
will last forever, forever till the end of time.  
                                 Am                                      F                                      G  
Oh oh o...h, oh oh oh o...h, hu hu h...u.

C - Am - F - G
