

## Wabash Cannonball

Intro: [C] [F] [G] [G7] [C]

Out [C] from the wide Pacific  
to the broad Atlantic [F] shore  
She [G] climbs the flowery mountains,  
o'er [G7] hills and by the [C] shore  
Al-[C]though she's tall and handsome  
and she's [C7] known quite well by [F] all  
She's a [G] regular combination  
the Wabash Cannon-[C]ball

Oh, [C] listen to the jingle,  
the [C7] rumble and the [F] roar  
As she [G] glides along the woodland,  
o'er [G7] hills and by the [C] shore  
She [C] climbs the flowery mountains  
hear the [C7] lonesome hoboos [F] squall  
As she [G] glides along the woodlan  
the [G7] Wabash Cannon [C] ball

Oh the [C] Eastern states are dandy,  
so the Western people [F] say  
Chi-[G]cago, Rock Island,  
St. [G7] Louis by the [C] way  
To the [C] lakes of Minnesota  
where the [C7] rippling waters [F] fall  
No [G] chances to be taken  
on the [G7] Wabash Cannon-[C]ball
