

## Sara - Bob Dylan

I [Em] laid on a dune, I [Am] looked at the sky  
When our [D] children were babies and [Em] played on the beach  
You [Em] came up behind me, I [Am] saw you go by  
You were [D] always so close and [Em] still within reach.  
[G] Sa[Bm]ra, [Am] Sara, [D] whatever made you wanna [C] change your [Em] mind?  
[G] Sa[Bm]ra, [Am] Sara, [D] so easy to look at, so [C] hard to de[Em]fine.

I can [Em] still see them playin' with their [Am] pails in the sand  
They [D] run to the water their [Em] buckets to fill  
I can [Em] still see the shells fallin' [Am] out of their hands  
As they [D] follow each other [Em] back up the hill.  
[G] Sa[Bm]ra, [Am] Sara, [D] sweet virgin angel, sweet [C] love of my [Em] life.  
[G] Sa[Bm]ra, [Am] Sara, [D] radiant jewel, [C] mystical [Em] wife.

[Em] Sleepin' in the woods by a [Am] fire in the night  
[D] Drinkin' white rum in a [Em] Portugal bar  
[Em] Them playin' leapfrog and [Am] hearin' about Snow White  
[D] You in the marketplace in [Em] Savanna-la-Mar  
[G] Sa[Bm]ra, [Am] Sara, it's [D] all so clear, I could [C] never for[Em]get.  
[G] Sa[Bm]ra, [Am] Sara, [D] lovin' you is one thing I'll [C] never [Em] regret.

I can [Em] still hear the sounds of those [Am] Methodist bells  
I had [D] taken the cure and it had [Em] just gotten through  
[Em] Stayin' up for days in the [Am] Chelsea Hotel  
[D] Writin' "Sad-Eyed Lady of the [Em] Lowlands" for you  
[G] Sa[Bm]ra, [Am] Sara, wher[D]ever we travel we're [C] never [Em] apart.  
[G] Sa[Bm]ra, oh [Am] Sara, [D] beautiful lady, so [C] dear to my [Em] heart.

[Em] How did I meet you? [Am] I don't know  
A [D] messenger sent me in a [Em] tropical storm  
You were [Em] there in the winter, moon[Am]light on the snow  
And on [D] Lily Pond Lane when the [Em] weather was warm  
[G] Sa[Bm]ra, oh [Am] Sara, [D] Scorpio Sphinx in a [C] calico [Em] dress  
[G] Sa[Bm]ra, [Am] Sara, you [D] must forgive me my [C] unworthi[Em]ness.

Now the [Em] beach is deserted [Am] except for some kelp  
And a [D] piece of an old ship that [Em] lies on the shore  
You [Em] always responded when I [Am] needed your help  
You [D] gimme a map and a [Em] key to your door  
[G] Sa[Bm]ra, oh [Am] Sara, [D] glamorous nymph with an [C] arrow and [Em] bow.  
[G] Sa[Bm]ra, oh [Am] Sara, [D] don't ever leave me, [C] don't ever [Em] go.
